## OBITUARY

It is with deep regret that we report the death of Reginald Kennedy, aged 17 years, only beloved son of Geo. E. and Mrs. Kennedy, of Delia, Alta. At the outbreak of the flu, Reg. was attending High School in Calgary and his father sent him here to take charge of the Drug Store during the sickness of L. E. Larder. He was a willing worker and helped out greatly with the flu patients, both at the hotel and school. Contracting the disease himself, two weeks ago, he put up a brave fight, passing away peacefully on Wednesday afternoon. His parents were here during his sickness and everything possible was done to save his life.

Reginald was well known in this district and had a host of friends here, being well liked by all with whom he came in contact. The sympathy of the whole community is extended to the sorrowing parents and sister. A funeral service was held in the Church yesterday afternoon, the remains being taken to Calgary for burial.

Divine Service will be held (D. V.) in the Anglican Church on Sunday Dec. 22nd at 7.30 p. m., and on Xmas Day at 11 a.m.

The Thanksgiving Service for Victory and Peace will be held (D. V.) on Sunday Dec. 29th. Monitor Band will assist. Full particulars next week.

Sunday School will be held on Sunday, in the Band Hall, at 1 o'clock.

Mr. and Mrs. Brock and family have moved to Port Hammond, B. C., leaving for their new home last Tuesday.

Stallion owners are reminded that they must re-enroll their horses, with the Stallion Enrollment Board, Edmonton, before Jan. 1st. This applies to studs already examined.

## BUSY BIDEFORD

Before another week appears Xmas will have come and gone with its memories green and gracious, with its happy reunions, with its innocent fun and frolic—the great festival of hearts and hearths—the children's own carnival. To all readers of "Busy Bideford" we send sincerest wishes for the best blessings Heaven can send. We thank you, one and all, for your kind support and interest in this, our own column. May better times dawn for us all in the new year of 1919. Let us breathe the beautiful prayer of Mrs. Browning which seems specially suitable to our war-wracked world. It is from Casa Guidi Windows.

"O Lord of Peace, who art Lord of righteousness  
Constrain the anguished worlds from sin and grief,  
Pierce them with conscience, purge them with redress,  
And give us Peace which is no counterfeit."

Rev. Brett brought us a large parcel of Red Cross supplies, the work of the ladies of Compeer. We should like to express our heartiest appreciation of their kindness and to say how grateful we are for the garments which were all well made. A shipment goes off to Calgary this week.

We hear there is to be a Christmas tree at the School on the 24th, when Santa Claus is hoping to be present. To have a romp with the Kiddies. There are prizes too, from the school trustees and any parents are cordially welcomed. The time will be announced by notices in the Stores. If you want to help fill Santa's Sack just leave a bone with Mrs. Staley.

The Pool Hall is now open for business and pleasure under the management of Mr. Frank Ransby. Frank recently sold his farm, which is close to town, the fortunate purchasers being Mr. Walker, the station agent, and Lee Hein. We sincerely hope they will all do well in their new departures, co-operative farming can be made to pay if properly run and given the right amount of showers of blessing at the proper time Lee and Scottie ought to come out trumps.

The school attendance is very small, only nine scholars some days, but parents are wise to err on the safe side and keep those at home who have colds and coughs as the spray from nasal catarrh is exceedingly dangerous and may cause all kinds of pulmonary troubles.

George Conquest is spending the winter at Butte, Mont.

Reggie Staley is working at Coronation.

Roy Bartholomew is now progressing nicely, thanks to the care and attention of his mother.

Miss Lizzie McLeod has returned to Kerrobert having fully recovered from the flu.

Mr. Patterson now lives in the Watling house, and has been busy lately with insurance.

Mrs. P. Robinson returned from Saskatoon with the good news that the Doctor was progressing satisfactorily and able to be at home now.

A soft answer turneth away wrath and makes the machinery of life run smoother. Pass around the oil can.

Its never too late to send your subscription to the Red Cross Secretary. Thank you in anticipation.

We hear that Gladys Conquest is enjoying college life thoroughly and has surprised her folks by doing remarkably well in her exams, specially Latin.

## Letter to the Editor

Kirriemuir, Alta.,  
Dec. 10, 1918.

Dear Sir,  
I wish to be granted a little space in your valuable paper to reply to your B. Bideford correspondent's "Two reasons for the locating of a Bank in Kirriemuir."

It is in justice to your many readers that I take this matter up.

If we all listened to such shallow gossip and reported to the worthy editor such piffle, your readers would think us crazy. Such light talk may be general in "Busy B.", but here in Kirriemuir we fully appreciate the real reason why the Merchants Bank elected to open a branch here.

When the town started, before the lots were for sale, we tried to get a branch of this bank opened here, and almost succeeded. Unfortunately the war has delayed the opening, and owing to staff conditions the banks mutually agreed to refrain from opening new branches until the close of the war.

This Bank had made us a promise to open here when the war ended; this looking to be the best location between Coronation and Kerrobert.

They were "Johnny-on-the-spot" locating in the poolroom temporary and when they build in the Spring the appearance of our town will be very greatly improved.

So the true reason why the Bank is here is self evident. It is here in fulfillment of a promise.

I may add that any bank that can foresee the future possibilities of this industrious town deserves its patronage and that of the surrounding district. Those that have money, deposit it here, while these in need of assistance can borrow on security.

So we should worry "Why the Merchants Bank" opened at Kirriemuir.

Thanking you for this space, I am Sir,

Yours respectfully,  
"A Kirriemuir Booster."

## Great War Veterans' Memorial Hall Fund

A Tribute to the Fallen and a Thank-offering to the Living.

The Memorial is to be erected in Edmonton in honor of the Northern Alberta Veterans in that Canadian Army which has fought valiantly from the famous Battle of Ypres to the re-capture of Mons, and which Sir Arthur Currie says: "In the last two years has never lost a gun, has never failed to take an objective, and has never been driven from an inch of ground once consolidated."

## THE IDEA

Fifteen months ago the Great War Veterans of Northern Alberta began a movement to build in Edmonton a Memorial Hall to their fallen comrades and at the same time establish in connection with it a Soldiers' Assembly Hall and Administrative Offices for their own organization.

## THE FUND

The money for this enterprise must be raised by public subscription. The plan is to sell Thankoffering Shares at \$10.00 each. The amount of the "issue" is to be \$300,000. Stockholders are those who subscribe in amounts of \$10.00 and over and to whom will be issued "Thank-offering" Shares. Smaller amounts, too, will be very acceptable.

## THE PLAN

There will be provided a recreation hall, billiard and game rooms, gymnasium and swimming pool, library, reading and writing rooms and a canteen. An auditorium and stage for public concerts. Administrative offices will also be arranged for. These and the auditorium will be a source of revenue toward maintenance.

## THE MEMORIAL

The most impressive feature of the scheme will be the Memorial and Trophy Hall, where will be preserved honor rolls, scrolls and the flags and standards of Alberta battalions and the trophies of the battlefield and other prized property. These features will inspire us to keep alive the traditions of our regiments.

## THE NEED

The need for such an institution has been apparent since the men began to return in 1915. For many years to come ex-soldiers will find it necessary to visit the capital on business connected with some one of other of the offices dealing with returned soldier problems.

Address all Communications to Memorial Hall Headquarters, O.P.R. Building, Edmonton. Subscribe through any Chartered Bank.

## THE SITE

The citizens of Edmonton have given free a magnificent site in the heart of the city overlooking the Saskatchewan River. It is one of the finest in Canada for a Soldiers' Memorial. The property has been vested in a Board of Trustees, representing the G.W.V.A., the city and the province.

## THE MOTIVE

We, as a people, must show our gratitude to those who upheld our honor. It will not be enough to commemorate their deeds in marble or bronze. A building well drained will possess all the characteristics of a high work of art and at the same time fill a practical need.

## THE SUPPORT

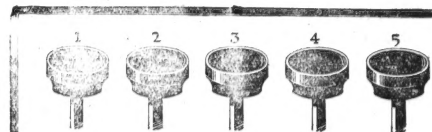

The scheme has been carefully considered, and it is agreed that it is the only one that will meet the needs of the veterans. The Victory Loan organization has volunteered to work in support of the campaign, and the Veterans have associated with them a strong committee of business men.

## THE APPEAL

This is the first Christmas since the cessation of the war it is the greatest occasion for thanksgiving you have ever had. It will never come again. Surely the battle-scarred survivors of the campaign in France and Belgium merit this Christmas gift. It is for those who have been "Over There" this appeal is sent forth.

## THE SUBSCRIPTIONS

Payments may be made in cash or on instalments. Subscriptions must be accompanied by a deposit of 20 per cent. of amount subscribed. Application forms may be obtained from any official canvasser or any bank. Victory Bonds accepted as cash. Stocks will be available at time of application if payment in full is made.

## Note and Comment

For the first time in five years  
we will be able to celebrate  
Christmas Day without the  
horrors of war looming large  
on the horizon. The end of the  
hostilities will add greatly to  
our joy and happiness at this  
season, when there is no longer  
the watching and anxiety for  
the boys over there.

For all of your days prepare.  
And meet them ever alike;  
When you are the anvil, bear—  
When you are the hammer, strike!

The third session of the Vil-  
lage Council, to consider the  
flu costs, drew a fair sized crowd  
last Monday night. Most of the  
bills presented were passed and  
ordered paid. The account put  
in by the local hotel was read  
and just about caused heart  
failure to those present. This  
bill's total was a mere trifle,  
only some \$1102.00 being asked  
for the 16 days that the hotel  
was used as a hospital. This  
was turned down flat by the  
Council and the matter will be  
taken up with the Provincial  
authorities. The wages of the  
orderlies were cut down from  
\$3 and \$4 a day to \$15 a week.

France at the end of the war  
finds herself with 2,360,000 less  
cattle, 2,258,000 less sheep, and  
2,815,000 less hogs than in 1914.  
She will be glad to buy pork  
and hog products in Canada as  
soon as financial arrangements  
as to credit in Canada can be  
arranged. Canadian breeding  
cattle are also wanted. Canada  
is the only country upon whose  
cattle France does not maintain  
an embargo.

Uncertainty as to the market  
when the armistice was signed  
led many stock men to throw  
his stock on the market un-  
finished in an effort to turn his  
animals into money before  
prices went down. It was a  
poor policy as events have  
shown. There has been no de-  
cline in the price except when  
quality and finish were inferior.  
The export demand remains  
steady.

The attention of those who  
purchased Victory Bonds, on  
the installment plan, is directed  
to the fact that these payments  
are due on the 6th of each  
month, and such installments  
must be paid promptly. Under  
the card system the monthly  
amounts are due on the 16th.

These dates should be kept  
in mind and all payments made  
on time.

Some men work themselves  
death, trying to earn suffi-  
cient to keep up the premiums  
on their life insurance.
